Band & Colorguard Program

Let the Chips Fall Where They May!

Buy a chance to win \$\$\$ by purchasing a \$5 numbered lot. If the cow plops on your lot during the event, you win! Three chances to win:

- 1st plop \$250 2nd plop \$500 3rd plop \$1,000

Land Deed Parcel Numbers will be randomly assigned to the game board on the morning of the event, prior to commencement. The event will take place on December 10, 2011, starting at 2:00pm PST and running through the third chip made by any cow or until darkness. Three cows will be turned out onto the field. The field will be divided into 3,000 lots which will be sold for \$5 donation per lot. The squares that the cow chip falls on will be the winner. If the Cow Chip lands on a line, the prize money will be divided equally among the owners of all affected lots regardless of the volume on each lot. If the Cow Chip lands on an unsold lot, we will move one lot Southwest and clockwise to find a winner. If all three cow chips are not complete within daylight hours, the Band Booster Officials will randomly select the remaining winning square(s). Decisions of the officials are final. One prize per lot. Event will take place rain or shine.
